

Your Life Is Your Yellow Brick Road

**Congratulations
on creating your
PieceWalk Team!**

It is going to be a
fantastic PieceWalk
season, and we are
here to help you all
along the way.

[PieceWalk.org](https://www.piecewalk.org) is

the best tool for you and your team.

Remember to personalize your page with a great picture of the person(s) who inspired your team as well as your team's message - this is where you'll share your story and your inspiration for asking others to join you by walking, running or donating. Have fun with your page!

We get by with a little help from our friends

Check out your Captain's-only toolkit when you log onto your Team Captain's page.

There are lots of features to help you motivate your team: coordinate t-shirt sizes and orders, post social media headers, submit and promote team and Facebook events, incentive prize details, track progress on goals, and guide you all the way to ELITE status.

Let AutismOklahoma help you avoid the flying monkeys

As Team Captain, you'll get a series of six **Captain's Ruby Slipper** newsletters filled with tips and tools to help you reach your goals and make your journey easy! Make sure to whitelist @piecewalk.org so you don't miss one.

Another email will be coming your way soon to explain ELITE status and the cool incentive prizes that you can win between now and the PieceWalk. If you are on Facebook, please follow this link and join our [private Team Captains page](#) to exchange ideas and brainstorm with other captains.

It takes brains, courage, and heart to raise a child with autism

Help us provide even more opportunities for Oklahomans with autism to have **Quality of Life, For LIFE.**

Most of all, have fun!

Mark your calendars!
